Personality Theories University of Phoenix Individuality is expressed through unique behavior, also known as personality. Personality can be broken down into four perspectives, psychoanalytic, humanistic, social cognitive, and trait. Each perspective describes in detail what helps compare and contrast individuals to one another. Personality theories go into further detail from the perspective.

This unique workbook was written for the undergraduate Personality course where professors are looking for activities to help students learn and apply personality theories to real-life examples. The workbook is geared toward personality courses that are theories-based, as opposed to research-based. Because the cases explored are those based on normal behavior (as opposed to abnormal behavior), this workbook is especially useful. While most personality... Read Full Overview
