Little Book of Yves Saint Laurent is the pocket-sized and exquisitely illustrated story of 60 years of innovative fashion design. An enigmatic, daring and astonishingly creative designer, Yves Saint Laurent is credited with the elevation of haute couture to fine art, turning the fashion show into a spectacle of breathtaking proportions, and revolutionizing the gendered norms of womenswear. Describing Saint Laurent’s beginnings in Algeria as a precocious boy making miniature garments from fabric scraps, Little Book of Yves Saint Laurent depicts the designer’s ascent from fashion student to the right-hand of Christian Dior. Going on to found his own fashion house in 1961, Saint Laurent created his famous "le smoking" trouser suit, brought the leather jacket to the mainstream and astounded the fashion world with his blend of elegance and artistic drama. Little Book of Yves Saint Laurent documents the talent of a visionary creative in a perfect gift for any lover of fashion.

9-year-old Gabe (Gabriella) Murray lives and breathes hockey. She's the youngest player on her new team, she has a nifty move that her teammates call "the Gabe," and she shares a lucky number with her hero, Hayley Wickenheiser: number 22. But when her coach hands out the team jerseys, Gabe is stuck with number 9. Crushed, Gabe wants to give up hockey altogether. How can she play without her lucky number? Gabe's grandmother soon sets her straight, though--from her own connection to the number 9 in her hockey-playing days to all the greats she cheered for who wore it, she soon convinces Gabe that this new number might not be so bad after all. A lovely intergenerational tale and a history of the storied number 9 in hockey, The Highest Number in the World is a must-have for any hockey fan.
