New learning features and strong end-of-chapter exercises draw attention to the most important information and drive critical thinking. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Embezzlement, tax evasion, deception, and other forms of "white collar crime" are putting the assets and integrity of many of America's top companies at risk--and fraud prevention is fast-becoming one of the foremost concerns in today's corporate world. The authors show how employees and managers can help keep the company safe from fraud, by learning the most important steps in prevention, detection, and investigation.

Accountants have historically had an important role in the detection and deterrence of fraud. As Joe Wells' Principles of Fraud Examination 4th edition illustrates, fraud is much more than numbers; books and records don't commit fraud - people do. Widely embraced by fraud examination instructors across the country, Principles of Fraud Examination, 4th Edition, by Joseph Wells, is written to provide a broad understanding of fraud to today's accounting students - what it is and how it is committed, prevented, detected, and resolved. This 4th edition of the text includes a chapter on frauds perpetrated against organizations by individuals outside their staff—a growing threat for many entities as commerce increasingly crosses technological and geographical borders.

Recent headlines regarding Enron and others spotlight the need for fraud prevention " in both business and private entities. Hundreds of thousands of incidents occur each year because of poor or inadequate accounting and financial control and security. Written by one of the foremost experts in the area of forensic accounting, this innovative book teaches companies and professionals how to reduce fraud losses " and how to effectively work to eliminate future frauds. It offers comprehensive coverage of fraud detection, warning signs, technology tools, investigation techniques (for auditors, security personnel and managers), financial statement screening, fraud risk in e-commerce, pro-active fraud risk and much more. The cost of fraud can be devastating. Fraud Examination and Fraud Prevention is an invaluable resource to accountants, financial officers, managers, business owners, attorneys, auditors and many others.
