Competency-based recruitment leads to a standardized or structured selection process since the same metrics are used to assess all applicants to the same position. Competency-based recruitment provides clarity for the recruiters and candidates as well about the requirements for the vacant position to be filled. Status of the Program

Competency-Based Recruitment and Qualifications Standards

I've experienced competency based recruitment in my organisation and hated it. I only bought this book to pick holes in the system. However, it has shown me that my organisation is doing an awful lot of things right and that is its implementation that is at fault. This book has given me a real insight into how the system can be improved and also how I can best sell myself within the system. Buy ...
