Combining classic international economics with straight-from-the-headlines immediacy, Feenstra and Taylor's text seamlessly integrates the subject's established core content with topic areas and ideas that have emerged from recent empirical studies. A MODERN APPROACH FOR THE 21ST CENTURY International economics texts traditionally place greater emphasis on theory and a strong focus on the advanced countries. Feenstra/Taylor links theory to empirical evidence throughout the book, and incorporates coverage of emerging markets and developing economies (India, China, SE Asia) to reflect the evolving realities of the global economy. The new edition has been extensively revised and updated, especially in light of the ongoing world financial crisis. NOTE: Feenstra/Taylor, International Economics,

Trade is a cornerstone concept in economics worldwide. This updated second edition of the essential graduate textbook in international trade brings readers to the forefront of knowledge in the field and prepares students to undertake their own research. In *Advanced International Trade*, Robert Feenstra integrates the most current theoretical approaches with empirical evidence, and these materials are supplemented in each chapter by theoretical and empirical

exercises. Feenstra explores a wealth of material, such as the Ricardian and Heckscher-Ohlin models, extensions to many goods and factors, and the role of tariffs, quotas, and other trade policies. He examines imperfect competition, offshoring, political economy, multinationals, endogenous growth, the gravity equation, and the organization of the firm in international trade. Feenstra also includes a new chapter on monopolistic competition with heterogeneous firms, with many applications of that model. In addition to known results, the book looks at some particularly important unpublished results by various authors. Two appendices draw on index numbers and discrete choice models to describe methods applicable to research problems in international trade. Completely revised with the latest developments and brand-
