I'm crazy about Laura Levine's mystery series. Her books are so outrageously funny. --Joanne Fluke Freelance writer Jaine Austen has never been able to resist the siren call of an Eskimo Pie, just like she can't resist renewing her romance with Andrew, an old crush. With her bank account hitting new lows, she's also just agreed to write jokes for Dorcas, a stand-up comic who throws her pantyhose into the audience as a punch line.

Not only is Dorcas's act a bomb, she is heckled by Vic, a gorgeous fellow comic. Naturally when Vic is murdered with Dorcas's pantyhose and that same Dorcas is standing over his dead body, the police arrest. . .Dorcas. They figure it's an open-and-shut case, although Jaine figures no killer can be that dumb. But when Jaine sets out to find the real culprit, she is distracted by one dating disaster after another with Andrew--and she may not see the dark side of comedy until she faces the business end of a gun and a cold, deadly grin. . . A startling debut about the extraordinary end of a marriage and its very strange aftermath. Meet Lizzie Prain. She is an ordinary housewife and lives with her lovely dog and her husband, who is a bit of a difficult fellow, in a quiet cottage in British countryside. She's a wonderful cook. She enjoys her garden. And, occasionally, she makes cakes for the village parties. No one has seen Lizzie's husband, Jacob, for a few days. That's because last Monday and Lizzie snapped

and cracked him on the head with her garden shovel. No one quite misses Jacob though, and Lizzie surely didn't kill him on purpose. And now that she has the chance to live beyond his shadow, she won't neglect her good fortune. Over the course of the following month, with a body to get rid of and few fail-proof options at hand, Lizzie will channel her most practical instincts and do what she does best: she'll cook Jacob, and she'll eat him. But when Lizzie inadvertently befriends an isolated misfit, she will be tested: Will Lizzie turn to this new person for solace and abandon her desperate plan or will her new

forever. Named as guardian in their father's absence, Sophie discovers that the soft touch of a little girl's hand can be far more precious than a closet full of expensive clothes or an exciting job. And when their father Louis returns, the word "family" takes on a whole new significance, as Sophie finds herself deeply attracted to this handsome, mysterious man. Moving to Cornwall to be with Louis and the girls is a deliriously, frighteningly adventurous start to a whole new life for Sophie. When Louis proposes marriage, Bella and Izzy immediately vault into bridesmaid ecstasy, but Sophie is

besieged by doubt. Is marrying Louis, who left one wife before, the natural next step...or a scary mistake? Can she honor her promise to the girls to be there always, forever, whatever? When startling news from Louis's past takes them all by surprise, can these individuals brought together by chance and tragedy make the commitment that a family is forever? From the sensational Rowan Coleman, whose witty and deeply moving novels have won hearts on both sides of the Atlantic, comes a thought-provoking new tale of love, choices, and the true meaning of family.
