JUNIOR CYCLE HISTORY - HOME

Social, Environmental and Scientific Education (SESE) consists of three subjects: Science, Geography and History. SESE enables children to explore, investigate and develop an understanding of local and wider environments. History is for all children from junior infants to sixth class. The curriculum supports children to develop basic skills as an historian through a knowledge and understanding of people, events and developments in the past.

Junior Certificate History. If you want to do well in Junior Cert History, you will have to keep a careful eye on the time. Students often run out of time in the exam as there's a lot of content to write. One of the best ways you can prepare is to study a chapter, practice questions on Studyclix for that chapter and then check your answers against the marking scheme.

Junior Certificate History - Studyclix

progression from the Junior Certificate history syllabus that was introduced into schools in 1989. In terms of continuity the new syllabus shares the following features with the Junior Certificate syllabus: • an emphasis on the role of evidence in the study and writing of history • an emphasis on research skills

Leaving cert & Junior cert Exam Revision - Studyclix

The Junior Certificate or "Junior Cert" for short, is an educational qualification awarded in Ireland by the Department of Education and Skills to students who have successfully completed the junior cycle of secondary education and achieved a minimum standard in their Junior Certificate Examination. These exams, like those for the Leaving Certificate, are supervised by the State Examinations Commission. A "recognised pupil" who commences the Junior Cycle must reach at least 12 years of age on 1
