Il museo non pu ò pi ù essere considerato solo un contenitore per beni culturali di alto interesse storico-artistico, ma un ' istituzione didattica che deve rispondere alle nuove esigenze di pubblici sempre pi ù ampi e diversificati. La struttura museale si apre a nuove strategie di coinvolgimento, a inedite modalit à di interazione e a offerte culturali sempre pi ù orientate alla fidelizzazione. Il divertimento, la socializzazione, l ' interazione con i diversi mondi della conoscenza, la divulgazione delle collezioni con un approccio interdisciplinare e l ' auto-finanziamento diventano elementi imprescindibili. Il museo diventa impresa entrando nel mercato delle aziende private e del tempo libero delle persone.

Il lavoro che gli autori pongono all ' attenzione degli Studenti dell ' Universit à Telematica " Pegaso " e, pi ù in generale, dei professionisti dell ' area giuridica e di quella economica, nonch é degli operatori aziendali, riflette lo studio delle gestioni straordinarie, vale a dire della " cessazione (assoluta e relativa) " , nelle sue varie forme di manifestazione. Tale studio è preceduto dalla individuazione delle cause che originano la disfunzione (fino alla crisi) aziendale e che sfociano negli istituti della cessione – conferimento, della fusione, della scissione, della trasformazione e della liquidazione volontaria. L ' individuazione dell ' istituto va fatta in relazione alle scelte strategiche finalizzate al perseguimento del principale obiettivo che è quello della " creazione della ricchezza " , quale presupposto di crescita e di sviluppo aziendale. Cos ì la scelta pu ò cadere su uno degli istituti attraverso i quali si tende ad attuare una strategia di sviluppo (conferimenti, acquisizioni, fusioni); pu ò , viceversa, essere orientata verso istituti idonei a perseguire una strategia di contrazione (cessioni, scissioni, liquidazioni). Gli istituti vengono esaminati nei loro preliminari aspetti giuridici e, di seguito, sviluppati nei profili economico-aziendali e nei collegati aspetti contabili e fiscali (cenni).
