Perceived as a replacement for the long running Leone, the Impreza quickly gained a great reputation through Subaru's successful WRC program. This book covers the full story of the Impreza, from concept through to the current production car, looking at the rally machines along the way, and illustrated throughout with contemporary material. Now with over 400 mainly color pictures and significant additional text, this is a fantastic warts and all account of an amazing car.

"This history examines AMC's cars from the company's formation in 1954 through 1987. Features include some 225 photographs; a listing of AMC/Rambler clubs, organizations and business entities, with contact details; tables of specifications and performance data; data on technical devices, trim packages and all model variations; an account of AMC/Rambler appearances in film, television and cartoons"--Provided by publisher.
