I found it very hard. I did lots of work for  
M3 and was getting about 90-95 ums on  
past papers. I'll be happy with 80 on that  
paper. The style of questions were  
different and the scenarios were unlike  
previous examples in past papers. I  
probably could have answered the  
majority of questions if I wasn't so  
pressured for time.
