If I tell you right up  
front, right in the  
beginning that I lost  
him, it will be easier  
for you to bear. You  
will know it's coming,  
and it will hurt. But  
you'll be able to  
prepare. Someone  
found him in a laundry

# Access Free Running

basket at the Quick Wash, wrapped in a towel, a few hours old and close to death. They called him Baby Moses when they shared his story on the ten o'clock news - the little baby left in a basket at a dingy Laundromat, born to a crack addict and expected to have all sorts of problems. I

# Access Free Running

imagined the crack baby, Moses, having a giant crack that ran down his body, like he'd been broken at birth. I knew that wasn't what the term meant, but the image stuck in my mind.

Maybe the fact that he was broken drew me to him from the start. It all happened before I was born, and by the

# Access Free Running

time I met Moses and my mom told me all about him, the story was old news and nobody wanted anything to do with him. People love babies, even sick babies. Even crack babies. But babies grow up to be kids, and kids grow up to be teenagers. Nobody wants a messed up

# Access Free Running

teenager. And Moses  
was messed up.  
Moses was a law unto  
himself. But he was  
also strange and  
exotic and beautiful.  
To be with him would  
change my life in  
ways I could never  
have imagined.  
Maybe I should have  
stayed away. Maybe I  
should have listened.  
My mother warned

# Access Free Running

me. Even Moses warned me. But I didn't stay away. And so begins a story of pain and promise, of heartache and healing, of life and death. A story of before and after, of new beginnings and never-endings. But most of all . . . a love story.

Blue Echohawk

her real name or

she was ten years  
old. At nineteen, when  
most kids her age are  
attending college or  
moving on with life,

she is just a senior in high school. With no mother, no father, no faith, and no future, Blue Echohawk is a difficult student, to say the least. Tough, hard and overtly sexy, she is the complete opposite of the young British teacher who decides he is up for the challenge, and takes the

troublemaker under  
his wing. This is the  
story of a nobody who  
becomes somebody.  
It is the story of an  
unlikely friendship,  
where hope fosters  
healing and  
redemption becomes  
love. But falling in  
love can be hard  
when you don't know  
who you are. Falling  
in love with someone

who knows exactly  
who they are and  
exactly why they can't  
love you back might  
be impossible.

Making Faces is the story of a small town where five young men go off to war, and only one comes back. It is the story of loss.

Collective loss,

# Access Free Running

individual loss, loss of beauty, loss of life, loss of identity. It is the tale of one girl's love for a broken boy, and a wounded warrior's love for an unremarkable girl.

This is a story of friendship that overcomes heartache, heroism that defies the common definitions, and a

modern tale of Beauty and the Beast, where we discover that there is a little beauty and a little beast in all of us.

From the New York Times bestselling author comes a breathtaking fantasy of a cursed kingdom, warring clans, and unexpected salvation.

Bayr of Saylok,

bastard son of a powerful and jealous chieftain, is haunted by the curse once leveled by his dying mother. Bartered, abandoned, and rarely loved, she plagued the land with her words: From this day forward, there will be no daughters in Saylok. Raised among the Keepers at

Temple Hill, Bayr is gifted with inhuman strength. But he's also blessed with an all-too-human heart that beats with one purpose: to protect Alba, the first girl child born in nearly two decades and the salvation for a country at risk. Now the fate of Saylok lies with Alba and Bayr, whose

bond grows deeper  
with every whisper of  
coming chaos.

Charged with battling  
the enemies of their  
people, both within  
and without, Bayr is  
fueled further by the  
love of a girl who has  
defied the scourge of  
Saylok. What Bayr  
and Alba don't know  
is that they each  
threaten the king, a

greedy man who built  
his throne on lies,  
murder, and betrayal.  
There is only one way  
to defend their land  
from the corruption  
that has overtaken it.  
By breaking the  
curse, they could  
defeat the king...but  
they could also  
destroy themselves.

I won my first fight

Fighting is the purest,

Where choirs sing

But for me, heaven

was something else. It sounded like the bell at the beginning of a round, it tasted like adrenaline, it burned like sweat in my eyes and fire in my belly. It looked like the blur of screaming crowds and an opponent who wanted my blood. For me, heaven was the octagon. Until I met Millie, and heaven

something different. I  
knew I loved her  
when I watched her  
stand perfectly still in  
the middle of a

swarming, buzzing,  
slipping around her,  
her straight dancer's  
posture unyielding,  
her chin high, her  
hands loose at her

sides. No one seemed to see her at all, except for the few who squeezed past her, tossing exasperated looks at her unsmiling face. When they realized she wasn't normal, they hurried away. Why was it that no one saw her, yet she was the first thing I saw? If heaven was

the octagon, then she was my angel at the center of it all, the girl with the power to take me down and lift me up again. The girl I wanted to fight for, the girl I wanted to claim. The girl who taught me that sometimes the biggest heroes go unsung and the most important battles are the ones we don't
