If you ' re thinking that ' s a typo up there, it isn ' t. This is in fact book number 27 in Lora Leigh ' s Breed series, and I have read each and every one and almost all of the short stories that have appeared in anthologies over the years. I picked up Coyote ' s Mate (#18) when it came out in 2009 and loved it. It had the perfect mix of science fiction infused into the paranormal aspect along with a huge dose of sexy characters and romance.
