"The guide for leathercrafters who want a clearly traditional focus, who believe quality matters, and who want to learn traditional techniques to use in modern ways."--back cover

Destined to be a classic, this modern introduction offers a contemporary twist on the age-old craft of leatherworking. The Leathercraft Handbook guides you through all the skills, tools, and techniques you need to make beautiful and durable pieces, from elegant accessories to stylish homewares - without the need for expensive equipment. Try your hand at more than 20 step-by-step projects, complete with easy-to-follow tutorials and templates that can be scaled up or down. Ranging from a classic glasses case to a chic tote bag, the pieces are suitable for beginners through to experienced leatherworkers and feature inspiration on how to make the designs your own. Use this tactile, age-old craft to make your own unique and modern leather items.

Hundreds of step-by-step, full-color photographs illustrate exactly how to make cold-process soap. Instructions on molding soap, cutting bars, creating original recipes, packaging gifts, and more. Includes a chapter on constructing a soap mold, liner, and cutter at home.

An explicit guide to preparing, sewing, and caring for leather, suede, and fur garments.

Grab your leather working tools and get started making yourself some great new leather items you'll be proud to carry! Well-crafted leather pieces are always in vogue. And minimalist modern styles are easy to make following the step-by-step instructions and templates provided in Making Leather Bags, Wallets, and Cases. From statement handbags to chic wallets, eyeglass cases, portfolios, and more, this book includes projects even a novice leather worker can make but that look so high-end people will be astonished if you tell them you made it yourself.

Historic, classic, creative, and fun, leather crafting is a craft for all ages. Whether you are just a beginner looking to get started, or an experienced leather artist in need of a concise reference, Leathercrafting is your guide to an enjoyable craft that lasts a lifetime. Master leather artisans Tony and Kay Laier introduce you to the basics of leather preparation, and show you how to use stamps, punches, cutters, and other essential tools. They provide expert tips on edge finishing methods, and take you step-by-step through a traditional floral carving project. From forming, moulding, and embossing leather to creative stitching, lacing, and braiding, this book will teach you all of the skills you'll need to make beautiful belts, wallets, purses, holsters, cases, jewelry, home accessories, and more.

Leather is a strong and versatile material, and indispensable when you're working, hunting, or exploring outdoors. Hunter and outdoor professional Carsten Bothe offers the ultimate beginner's guide for this useful hobby. These photo-rich, step-by-step instructions prove that anyone can learn the techniques of cutting, sewing, and finishing to make, or repair, your essential leather items. You'll learn how to make a seam, to wet-form, to apply button studs and rivets, and everything else needed to master the basics. Five useful projects--good-looking, and able to be put to practical use--help you put what you've learned into practice: make your own belt, dog leash, belt bag, knife sheath, and leather holster. Whether you are a hunter, reenactor, knifemaker, scout, horseback rider, or bushcraft fan, or you use leather in other ways, here is your guide to a new skill.

All you need are strips of leather or suede and a few simple materials and you'll be weaving gorgeous purses, pouches, bags, and wallets. No prior leather working experience required! Step-by-step illustrated instructions walk you through how to create each piece. There are 17 projects with endless variations, plus a chapter on how to take what you've learned to create your own designs.. These bags are fun and easy to make, sure to be admired and appreciated wherever you go!
