Lisa Dodson worked as a union activist, an obstetrical nurse, and the director of the Division of Women's Health for the state of Massachusetts before becoming a professor of sociology at Boston College. She is the author of The Moral Underground: How Ordinary Americans Subvert an Unfair Economy (The New Press) and Don't Call Us Out of Name. She lives in Auburndale, Massachusetts.

The Moral Underground: How Ordinary Americans Subvert an ...  
The Moral Underground addresses a very important subject and is a jarring wake-up call about the ways our economy has changed over the last generation. "Welfare reform" has "succeeded" in that we've removed the safety net; now the working poor get paid less than it costs to live, and this has terrible effects on children and on other workers up and down the economic scale.
