*LINGER Book Review Whisper 1
Phoebe Kitanidis*

Joy would be a normal girl, except for the fact that she Hears Whispers. In other words, she Hears what others desire, their desire-thoughts. In possession of this hereditary gift, Joy likes to make people happy, to give

people what they want, which is the opposite of her sister's choice—use it to make people's lives miserable.

Whisper by Phoebe Kitanidis - Goodreads

Whisper, by Phoebe Kitanidis, is a psychologically-astute novel about the consequences of a fourteen year old girl's unusual gift for "hearing" other people's unspoken wishes and yearnings. As the novel opens, we learn that Joy Stefani uses her ability to hear wishes in order to please other people, but her older sister Jessica, wields her own similar gift like a sword to hurt and disturb ...
