There was no sharper con man on the streets of Chicago than Elijah Brookes. Women were his preferred prey—but no mark and no bankroll was safe when Elijah was on the prowl. Cool, beautiful Toni warned him, “Elijah, brothers be playin’ games so hard sometimes they don’t know when to stop. You know what I’m sayin’?” Elijah Brookes had to learn the ultimate lesson the hard way. So many games to be played, so little time.

The definitive book on steak has never been written—until now “Of all the meats, only one merits its own structure. There is no such place as a lamb house or a pork house, but even a small town can have a steak house.” So begins Mark Schatzker’s ultimate carnivorous quest. Fed up with one too many mediocre steaks, the intrepid journalist set out to track down, define, and eat the perfect specimen. His journey takes him to all the legendary sites of steak excellence—Texas, France, Scotland, Italy, Japan, Argentina, and Idaho’s Pahsimeroi Valley—where he discovers the lunatic lengths steak lovers will go to consume the perfect cut. After contemplating the merits of Black Angus, Kobe, Chianina, and the prehistoric aurochs—a breed revived by the Nazis after four hundred years of extinction—Schatzker adopts his own heifer, fattens her on fruit, acorns, and Persian walnuts, and then grapples with ambivalence when this near-pet appears on his plate. Reminiscent of both Bill Bryson’s and Bill Buford’s writing, Steak is a warm, humorous, and wide-ranging read that introduces a wonderful new travel and food writer to the common table.
